STONE

25x75

La collezione Stone, come da titolo, presenta un portfolio di due variati grafiche di effetto pietra, realizzate in Pasta bianca nel formato 25x75.

I toni di colore leggeri vengono accostati ad una struttura ad onde che arricchisce il fondo e da movimento al prodotto.

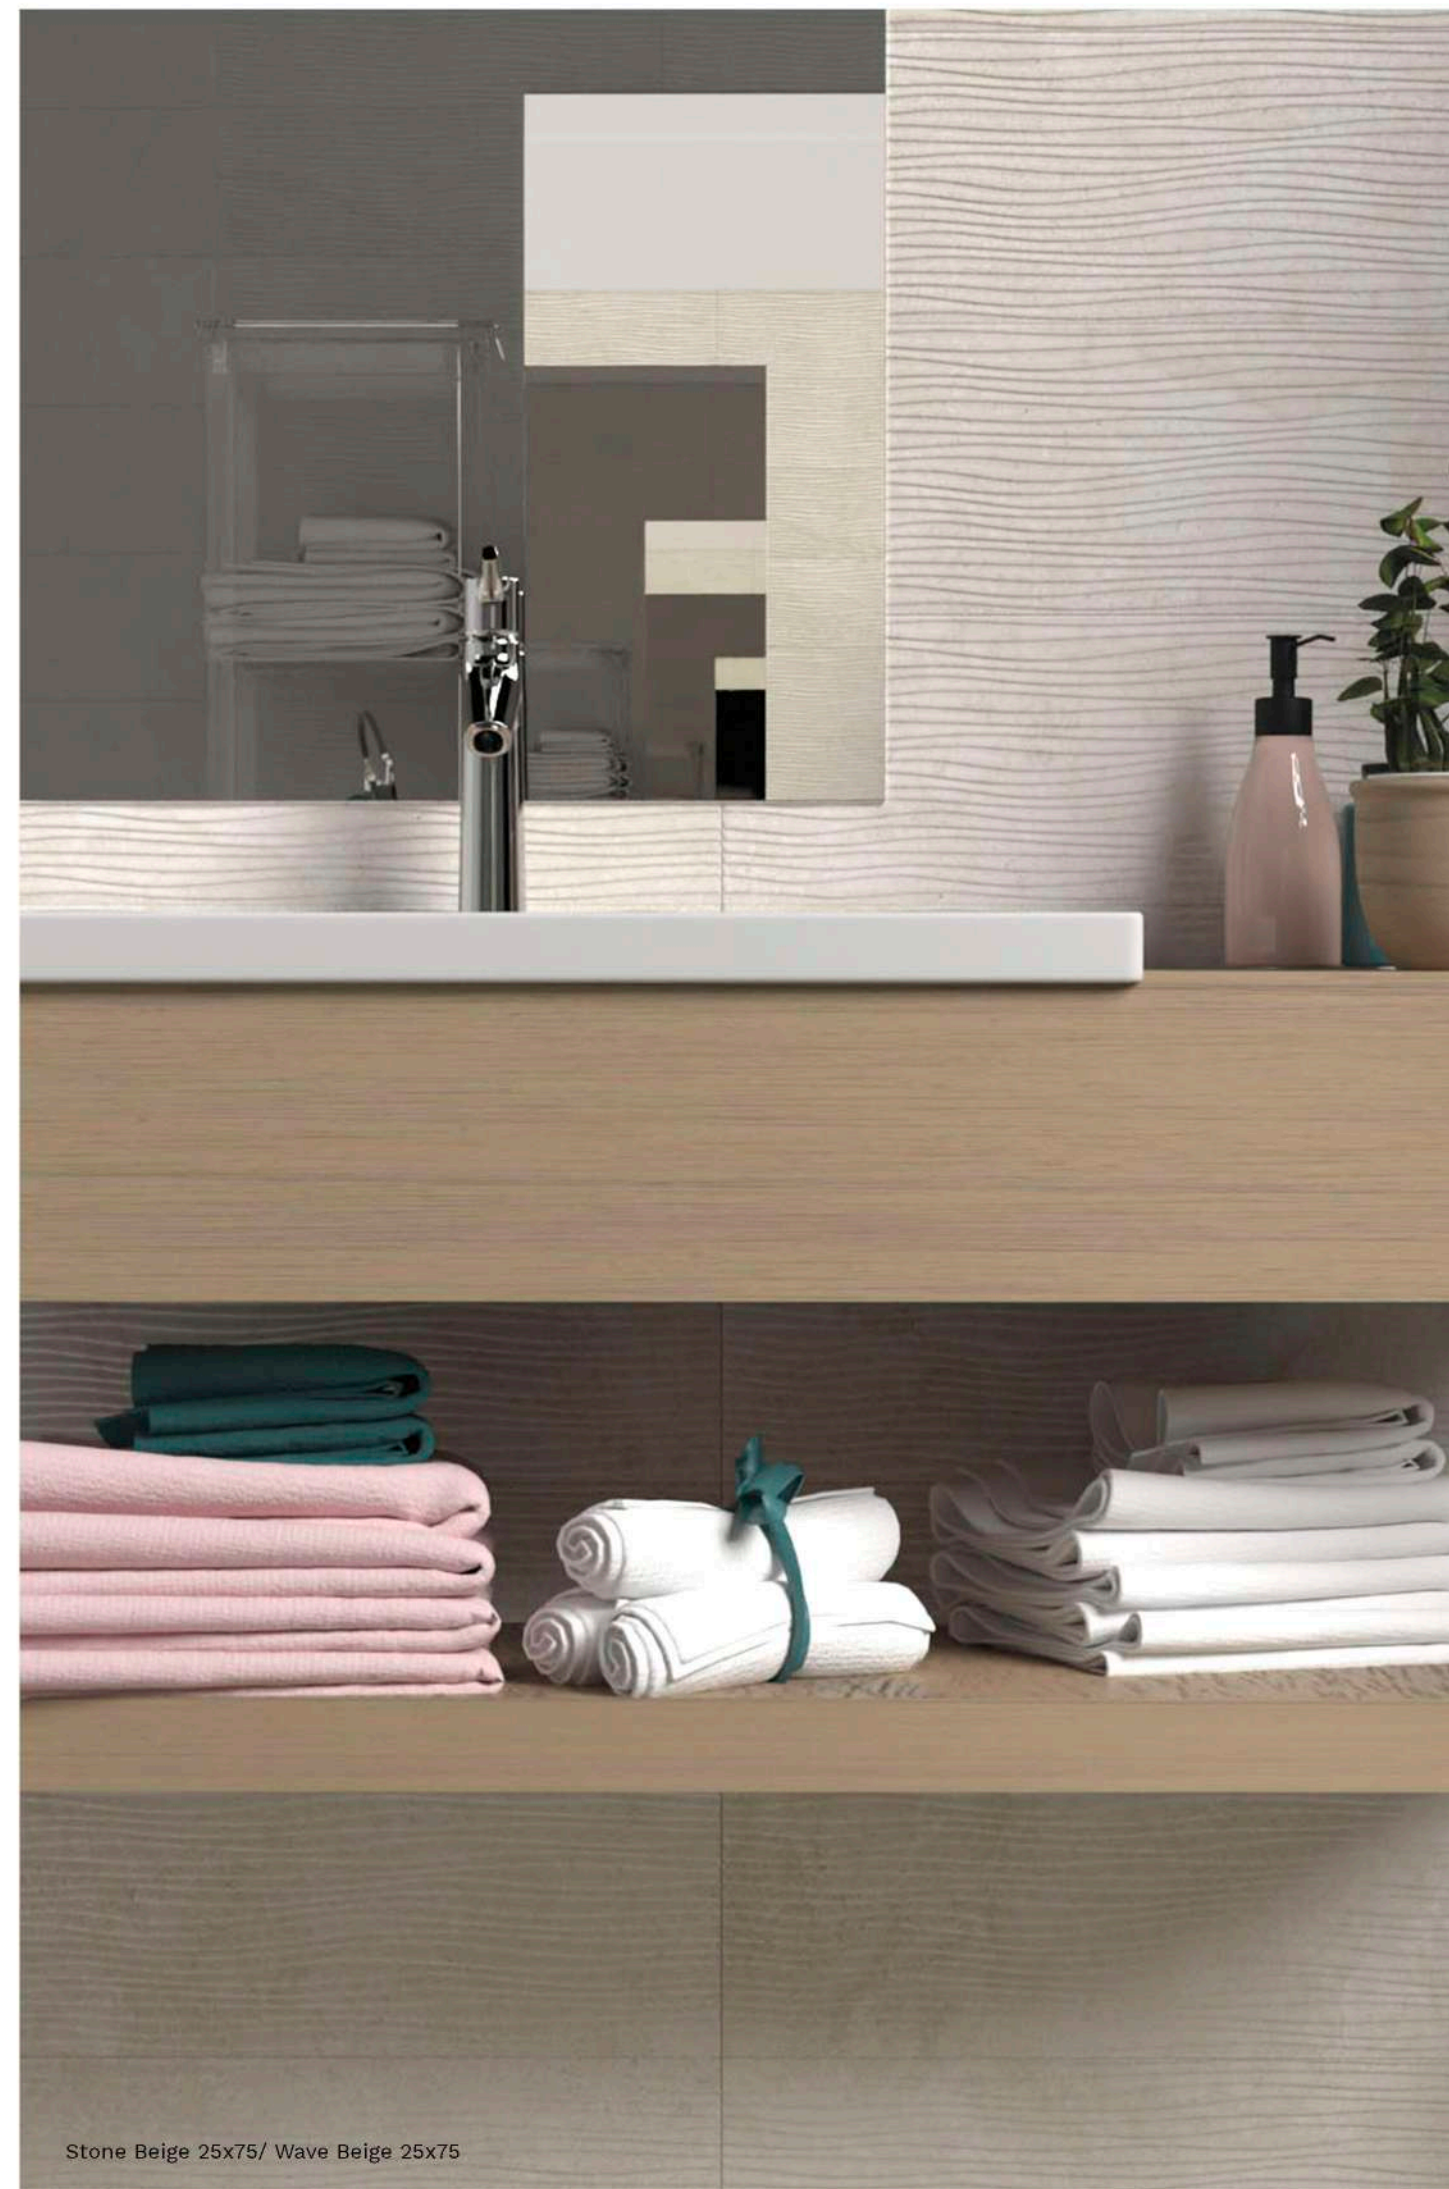

The Stone collection, as the title suggests, presents a portfolio of two varied stone-effect graphics, made in white body in the 25x75 format.

The light colour tones are combined with a wave structure that enriches the background and gives movement to the product.
