# MY STONE

La serie MyStone racchiude in sé ingredienti differenti, la struttura e l'estetica predominante sono di richiamo della pietra naturale, i toni tenui e le venature decise miscelate alle fiammature grafiche definiscono la superficie leggermente strutturata, mantenendo morbidezza al tatto e accolgono le superfici da rivestire, creando ambienti moderni minimali.

The MyStone series contains different ingredients, the predominant structure and aesthetics are reminiscent of natural stone, the soft tones and decisive veins mixed with graphic flames define the slightly structured surface, maintaining softness to the touch and welcoming the surfaces to be covered, creating minimal modern environments.
